# DO YOU SING IN THE BATHROOM: How Happy Are You?

5-8 points: You have your ups and downs but for the most part, you are moderately happy. There's no burning desire to change your life. You'd probably have an uplifting effect on someone who is less happy than you, but at the same time, you could benefit if you associated with those happier than you.

0-4 points: You could be much happier! Somehow, you've developed a perspective on life that is a bit lopsided. Review each of your answers and try to find out a way to change your perspective.

# DID YOU KNOW?

- Happy people can laugh at themselves because they don't take themselves too seriously.
- Happy people tend not to wish for many things, because they are usually satisfied with what they have.
- Happy people like fiction. They can escape from reality and enjoy someone else's imagination.

# THANK YOU!
